

Contribution & voting procedure

KiK|MPi

Version 01 – English: Selected period van Jan 1st 2018 to December 31st 2018.

This procedure is aligned with the regulations of the cooperation, article 6 and 22. This procedure includes the decision-making and need to be changed when requested by a majority of members of the cooperation.

Once a year the members of the cooperation will grant the height of the yearly contribution for the individual cooperation members (*)

Contribution and voting procedure:

The objective is to have equal height of contribution for all members.

Exceptions are in place for:

- Companies with annual sales less than €1 million and/or less than 10 employees
- Knowledge Institutes or Universities
- Single person operating companies

Tariff: € 7. 500

Exceptions:

- Companies (< €1 million, < 10 employees) € 2.000
- Knowledge institutes/ Universities € 1.000
- Single person operating companies € 500

All members have equal voting rights, independent of height of contribution.

() The height of the contribution for 2016 is granted by all members in the member meeting of 3 March 2016*
